BY
**MISCHA
ELMAN**

The appearance of this collection of violin solos, partly composed, transcribed and edited by one of the greatest of living violinists, marks a milestone in the artistic development of the literature of the violin.

The importance attached to this event is quite unusual, as thus far Mischa Elman has given his entire attention to concert performances, and all previous attempts to induce him to edit his most successful repertoire numbers or devote some of his valuable time to transcribing or composing on a larger scale have failed.
